how do we perceive feelings?
what is the pattern of behaviour?
I am a point of view?

feelings & feelings

momma and the moon

don't rub
the sleep from your eyes yet
not time to get up yet
up too late
last night
but i can't dream anymore
i'm all dreamed out from last night

momma,
i touched the sky
last night
he cried
and held me tight
he wrapped his blanket of stars around
me
he was there after my nightmare
hey, momma
where were you?
